Jyothi Ganesh
Secretary

MISSION

- To Provide high standard of education to young nursing students.
- To accomplish intellectual competency.
- To face the challenge of ever changing and competitive world.
- To participate in the healthcare delivery system and cater the best quality care to the suffering humanity.
- To facilitate training to the students to be competent in the management of health problems of the individual and the Community.

OUR VISION

To create and provide a cherishing nursing education to face the competitive world and achieving the highest standard in providing quality health care to the society.

The foresight and pioneering efforts of Shri. S. Basavaraj has resulted in high technical education offering education to every part of country today, by the emergence of P.R. College of Nursing.

INSPIRING SOURCES

The efforts taken by our Chairman and President has made the institution, to stand at the pinnacle of excellence and success. Sri Jyothi Ganesh and Sri Rudresh Kumar are the Co-founders of the institution. As young, energetic, enthusiastic nature, they infuse qualities of leadership, sincerity and decisiveness in their commitments and they continue to be the guiding factors in the growth of the college. Their foresight and pioneering effort has resulted in high end professional education being offered to every part of the country.

*"The task of
the modern educator
is not to cut down jungles,
but to irrigate deserts."*

“Education is the very way of our life and when it improves, life does too”

COLLEGE PROFILE

Bangalore City is named for beautiful gardens hence named as "Garden City", Bangalore City is blessed with salubrious climate, natural beauty, man made marvels of architecture and technology with the software flood is a picture of striking contrasts. It is the fastest emerging educational and industrialized city in India, keeping pace with the latest trends and fashion.

P.R. College of Nursing was established in the year 2005, under "Sri Veerabhadra Swamy Educational Trust". We at P.R. College of Nursing firmly believe that providing education is a service oriented profession based on imparting knowledge which assists students in achieving their maximum potential, and also has major role in the development of own potentialities.

FROM PRINCIPAL'S DESK

Nursing is caring and nurturing discipline in health sciences. Health care is an important sector in the vision of developing countries like India. Nurses play vital role in the National Health Care Service. Advancements in science and technology leads to a greater demand for quality health care. Hence nursing education requires excellence in knowledge and skill and nurses play a pivotal role in providing such care. Our College believes in quality education which can be brought about by team of expert teaching staff.

Nursing profession is based on the ideal of service to the humanity and is focused on assisting individuals, families and communities in attaining, re-attaining and maintaining optimal health and functioning. This noble profession has become all the more challenging in the wake of latest technologies and advance research in the field.

The college is facilitated with excellent infrastructure as per the norms of INC. Ample opportunities are provided for the students to inhabit an all round development in academic, co-curricular and extracurricular activities.

"Education is the ability to meet life's situation."

ACADEMIC ACTIVITIES

Knowledge is imparted by our team of faculties, by using modern technology like OHP, LCD, manikins and simulators. We follow the INC syllabus. Learning experiences are fortified with audio visual aids, demo classes, scientific sessions, conferences, seminars and workshops. This makes the lessons of textbooks to come alive.

CLASS ROOMS

The Class rooms are well furnished, well ventilated and spacious. The students learn in a calm and quiet atmosphere, with latest audio visual aids.

FUNDAMENTAL & MEDICAL SURGICAL NURSING LAB

This lab in our college is arranged with modern equipment and articles for basic practice, and monitors, dummies simulators, and CPR manikin to develop skills and to enhance basic knowledge for better patient care.

ANATOMY LAB

It consists of numerous collection of human skeleton, real specimens of different body parts, models and charts, which illustrates anatomical structures and physiological functions, to explore the knowledge and understanding towards the subject.

NUTRITION LAB

Our college has a Nutrition lab, which resembles, a modular kitchen, enables the students to learn the preparation, storage and serving of various food stuffs, along with the needed knowledge about nutritive value of different foods.

MICROBIOLOGY LAB

Microbiology and biochemistry labs all well equipped where the students have access to every kind of equipment for the study of various investigation and bio molecules.

MATERNITY AND CHILD HEALTH LAB

MCH lab is designed for the students, to appreciate the concepts and principles of obstetric nursing.

COMMUNITY HEALTH NURSING LAB

A model of a "Ideal village" and a "Urban unit" is made as live set up in this lab. In addition it has models made of clay and plaster of Paris, sewage plants, water purification units, primary health centers, sanitary wells, area maps which gives a clear picture of a community set up.

COMPUTER LAB

The college is promoting E-learning through computers. Qualified expert trains the students to become expertise the field of computer technology.

LIBRARY

Our college has spacious, well-ventilated library with 300 comfortable seating capacity and consists of 3000 books, journals, periodicals, both national and international bound volumes of old Journal and periodicals.

AUDITORIUM

It is spacious, well ventilated with good interior designing with a seating capacity of 500 seats.

The auditorium provides with modern facilities such as LCD projects, computer, DVD player, TV, overhead projectors, tape recorders, which motivates the students to get exposed to various educational methodologies. Small functions are also held here.

CLINICAL FACILITIES

At P.R. we make sure that the students are exposed to different aspects in Nursing care in various leading multi specialty hospitals of Bangalore. They get expanded training programmes to acquire knowledge and skills in today's Comprehensive health care setup.

COMMUNITY

We have Collaborated the urban community health centre at Mahalakshmi Puram and rural health at Sumnahaalli Bangalore. We have framed the objectives in par with the objectives of primary health care. The students participate in Govt. Campaigns like Pulse Polio programmes, National T.B. day, school health programme etc.

HOSTEL FACILITIES

Well furnished, Sophisticated girls hostel is situated within the campus for a comfortable stay during study period.

Amenities:

- Spacious Rooms
- Safety / Security 24 hrs.
- Incoming and Outgoing calls with intercom facilities.
- UPS back - up.
- 24hrs hot and cold water provision.
- TV halls / Indoor Auditorium

(Azad Nagar, JJR Nagar,
Agrahara, Sirsi)
in Bangalore

Co-curricular **ACTIVITIES**

Co-curricular activities play a vital part of our college calendar. They provide a wide range of opportunities to get exposed to literary and cultural activities.

- **SCIENTIFIC SESSIONS:**

A well organized systematic learning experience is provided by having symposium, panel discussions, work shops, conferences and seminars to bring out latent talents of the students and develop skills in administration.

- **NURSES DAY CELEBRATION:**

We celebrate the international nurses day on may 12th by taking pledge. The day is filled with activities like quiz competitions, elocution, debates, project shows etc.

- **INDEPENDENCE DAY:**

Independence day is celebrated with great devotion and the day is enriched with patriotic programmes.

- **EDUCATIONAL TOUR:**

Learning cannot be confined within four walls of class rooms. Educational tours and field trips are essential part of our college calendar. We plan the tour before hand and the students visits the important landmarks and famous Institutions in India.

- **ACADEMIC COMPETITIONS:**

Recitation, Essay writing, Elocution, paper presentation and quiz competitions are held to motivate students as a part of improving academic performances.

EXTRA CURRICULAR ACTIVITIES

- **ETHNIC DAY:** (By the study of different cultures, we find that, they are one in essence)

Unity and integrity are our mantras. To illustrate this, the most enjoyable day is celebrated as ethnic day, when our students wear traditional and regional costumes and perform dances fashion shows, sing songs, and give speeches about various cultures of our nation. This day makes a emotional bond of oneness, which lingers in our minds throughout the year.

- **LAMP LIGHTING CEREMONY:**

This is one of the most exuberant events in our college. Students of first year wear their Uniforms for the first time, take the Nightingale pledge and light the lamp to dedicate themselves to this noble progression.

- **ANNUAL SPORTS MEET:**

The sports curriculum is planned soon after the mid-term exams. The entire students body is divided as houses in terms of colour. Inter house competitions, are held for both indoor and outdoor games. It's a great opportunity to bring out the talents once again after the school days.

- **COLLEGE DAY:**

It's celebrated in a very grand manner each year. Students parents and guardians are the main invitees. Programmes are highlighted with various colourful events, like dances of different states, musical concerts, skits, mimes and fashion shows. The prize winners of all events are honored in this occasion.

PLACEMENT

"Climbing to the top demands strength, whether it is to the top of Mount Everest or to the top of your Career"

- Dr. A.P.J. Abdul Kalam

The increased demands for nurses globally has widen the career opportunities for the young nurses. Manipal Hospital, Apollo Groups, Narayan Hrudayalaya and Care Hospital Groups conduct campus interviews in our college. Students get job confirmation without struggles.

*In case of any dispute, the legal jurisdiction shall be at Bangalore, Karnataka.
